Who are we ?

Hope Stone located in Lucknow, India, is one of the fastest growing manufacturers of doors, door frames, skirtings and finishing profiles, made of MDF and finger-joint pinewood. Hope Stone is also a leading supplier of components for the furniture industry.

Hope Stone is committed to making doors the professional way; doors individually customized for homeowners to the highest standards of durability, security and energy efficiency in the residential market. A clear difference so defining that it has established a new category of professional-class doors, a better alternative to consumer-grade doors

The Company builds its market position basing on over twenty years of experience and continuous investment in technology, people and quality improvement. Hope Stone manufactures a wide range of skirtings for finishing of wooden and laminated floors
